

Online Giving to Westminster – Using a Credit or Debit Card

To give a gift to Westminster using a credit or debit card, you may visit the Westminster giving website at <http://www.churchofficegiving.com/dl/?uid=west3333122>. You will need an email address and password to register for the giving web page. For setting up Bank Drafts, [click here](#).

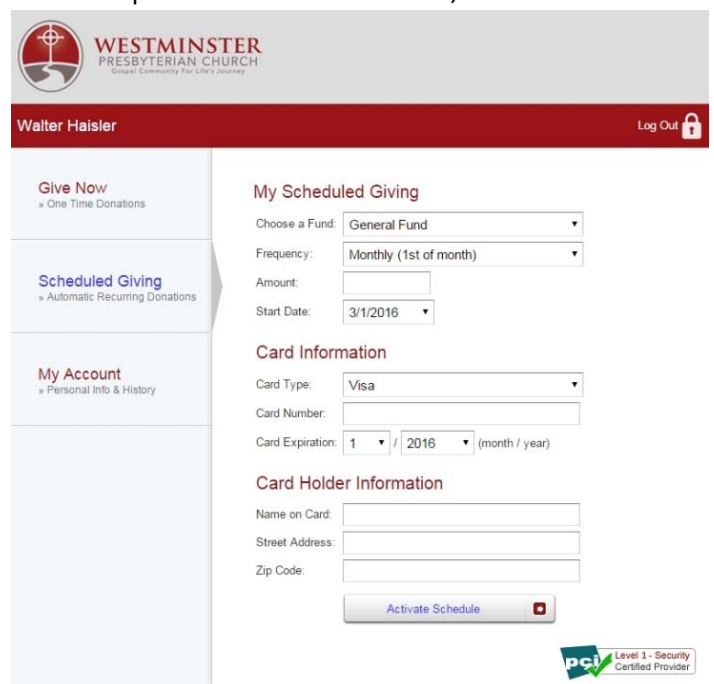

The screenshot shows the login page for Westminster Presbyterian Church's online giving system. At the top left is the church logo and name. A red banner reads "Login to Online Giving!" with a "Secure Login" icon. On the left, there are four menu items: "First Time? New User Registration", "Quick Give No Login Required", "Scheduled Giving Automatic Recurring Donations", and "My Account Personal Info & History". The main area contains a message for existing users, input fields for "User Email" and "Password", a "Remember Me" checkbox, and a "Login" button. A "Forgot Password?" link is next to the password field. A PCI Level 1 - Security Certified Provider logo is in the bottom right.

First Time Users – Click on the link “First Time? New User Registration,” which will open a form in which you enter your name, mailing address, and email address, and you also select a password. For current WPC members, the email address should be the same as you previously provided to WPC. The password that you select for this giving website may be the same as the one you use to sign in to the Westminster membership website (or you can select a different password for the giving website).

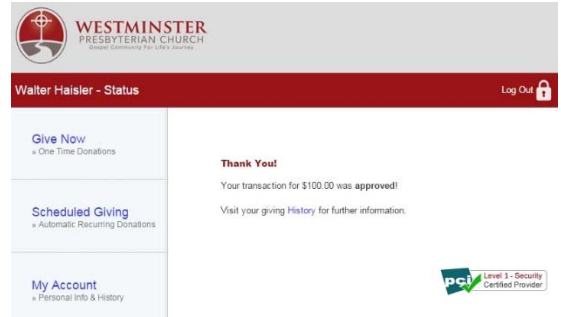

Setting Up a Recurring/Scheduled Online Contribution – To setup a scheduled contribution, click on the “Scheduled Giving – Automatic Recurring Donations” link. This will provide a form which allows you to choose the Fund to contribute to, the Frequency of the donation, Amount, Start Date, Card Information and Card Holder Information. Once you have entered all information, click on the “Activate Schedule” button.

Current Funds that can be contributed to include: General Fund, Pledge of Faith, Alms, Debt Retirement Fund and Renovation and Deferred Maintenance.

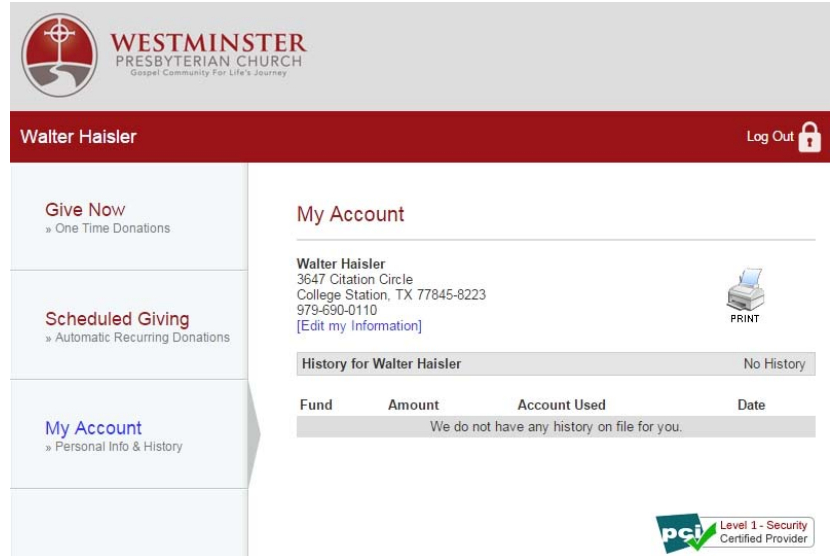

The screenshot shows the "My Scheduled Giving" page for user Walter Haisler. The page has a red header with the church logo and name, and a "Log Out" icon. The left sidebar has three menu items: "Give Now One Time Donations", "Scheduled Giving Automatic Recurring Donations", and "My Account Personal Info & History". The main area is titled "My Scheduled Giving" and contains several sections: "Choose a Fund:" with a dropdown menu set to "General Fund"; "Frequency:" with a dropdown menu set to "Monthly (1st of month)"; "Amount:" with an empty input field; "Start Date:" with a dropdown menu set to "3/1/2016"; "Card Information" section with "Card Type:" set to "Visa", "Card Number:" with an empty input field, and "Card Expiration:" set to "1 / 2016 (month / year)"; and "Card Holder Information" section with "Name on Card:", "Street Address:", and "Zip Code:" all with empty input fields. At the bottom is an "Activate Schedule" button. A PCI Level 1 - Security Certified Provider logo is in the bottom right.

Email Acknowledgment of your Contribution – After your contribution transaction has been completed, you will receive an automated email from Westminster Presbyterian Church acknowledging your contribution and the amount.

My Account – The My Account link (left hand side of the webpage) may be used at any time to view your online giving history including: Fund contributed to, Amount, Account Used, and Date of contribution.

Making a One Time Donation (Give Now) - Once you have completed the User Registration, you can enter your User Email and Password, and click the Login button. This will take you to the next page (Give Now) where you specify the amount of your donation, which fund it should be credited to, your card information and the card holder information. Click the Submit button at the bottom of the page to complete the transaction. After the transaction is completed, a Thank You page will be displayed.
