PARKING + BUILDING ENTRY

Two parking lots will be open. The South parking lot that is next to the Sanctuary, and the Bryan High parking lot.

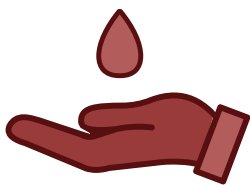

Two entrances to the building will be available. If you park in the South parking lot, you will enter the Sanctuary in the marked entrance that is nearest to the front of the Sanctuary (near the upright piano).

If you park in the Bryan High parking lot, you will enter the marked entrance that is nearest to the front of the Sanctuary (near the choir room and the baby grand piano). If you enter from the Bryan High parking lot, you will need to proceed around the playground area. A map will be provided. The entrances will be propped open so that you will not have to touch door handles.

All other entrances to the building will remain closed. The foyer and hallways will be closed other than for a bathroom emergency. Please do not enter any other areas of the building.

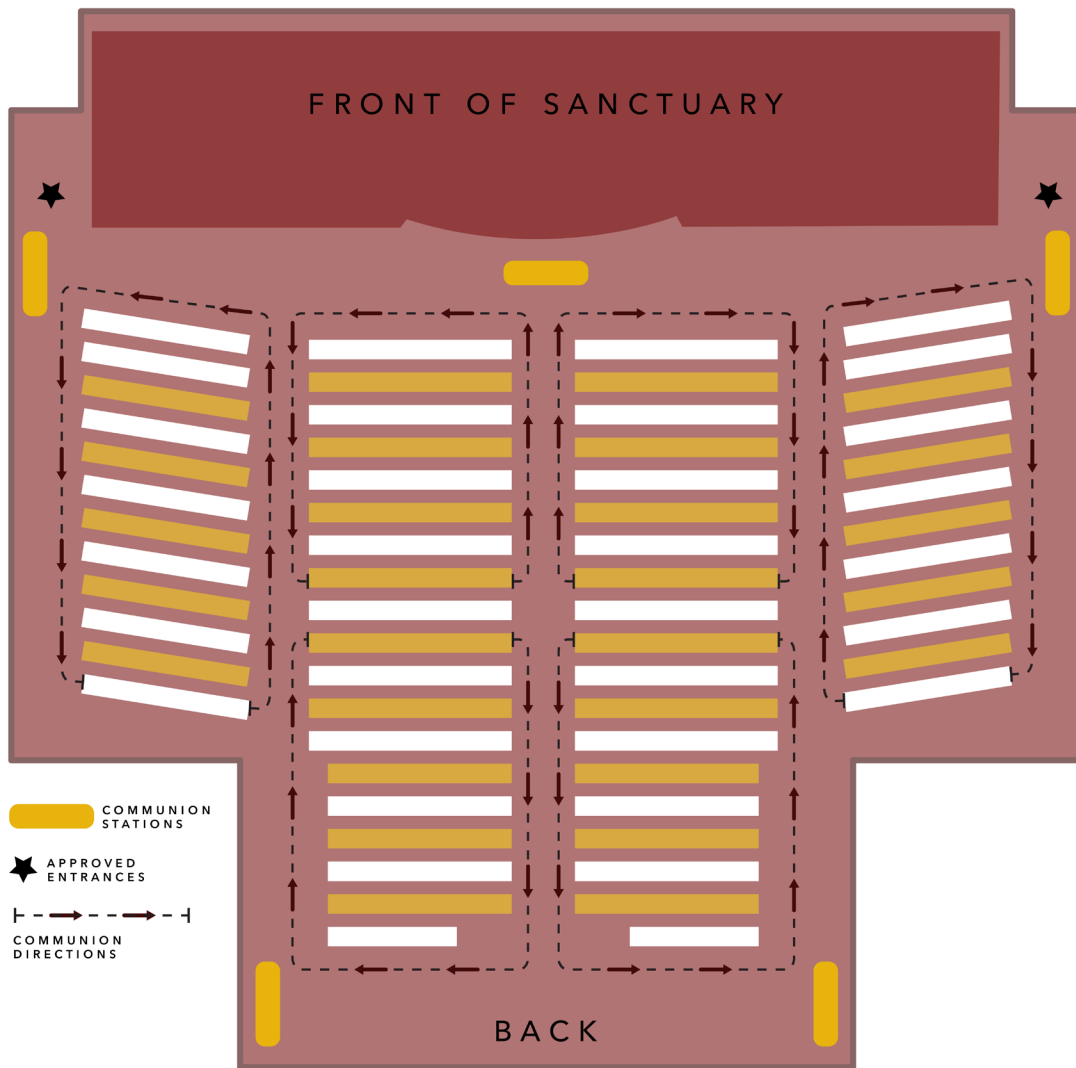

Hand sanitizer will be available at entrances. Please have all household members sanitize their hands prior to sitting down.

WORSHIP EXPERIENCE

Seating will be assigned by ushers as you enter the sanctuary. We will pre-assign seating based on online registration in advance of Sunday, but will have plenty of seating for those that cannot sign up in advance. All members of one household will be seated together, and we will make sure to maintain proper distancing between groups.

- Facemasks will be worn during the service except when taking communion. Instructions will be given during the service about when to remove your mask and when to put it back on.
- We will not be distributing worship bulletins, passing the offering plate, or passing the communion elements.
- Communion will be served by two volunteers that will wear gloves and face mask. The volunteers will go row by row and distribute the elements to each household group. Please take your cups with you as you exit the conference room and place them in the trash can provided at the door.
- Once worship is over, the ushers will dismiss attendees by row. You will exit the same way you entered. Please maintain safe distancing as you move outside.

SEATING + COMMUNION FLOW CHART

The yellow pews will be where attendees are seated. Follow the arrows to the assigned communion station for that zone of the sanctuary. The stars are the approved entrances and exits for worship, you will be dismissed by row.
